I have been asked to respond to your Public Records Act request dated September 4, 2007 requesting documents from this office regarding the California Coastal Commission's approval of the San Joaquin Hills Transportation Corridor Agency (TCA) toll road. Dear Ms, Duncan Lee

April 1, 2009

Regarding your email of 4/1/2009 regarding answering any additional Questions. My endeavor from day one is to correct this gross fraud (of putting a Toll on Newport Coast Drive. Original shortest road bypass routing) which gives no cover by statuette of limitations for the TCA. And bring the total complete record's to the light of day.

First. We have the missing report's of your Ms Olivia Maiser. Then we have the question No. 8 of Assemblyman Ferguson as shown in his letter January 7, 1994. But deleted from the A.G. letter to the public. in the "we have a revised request" February 10' 1994 form Assembly Ferguson as sited by officials of the A. G. Office. We're there report and questions: Lost, or deleted so they would not have to be answered in Opinion No. 93-1205 which in its self is a Grosse breach of- Brady VS. Murphy. by the trier of fact the Attorney Generals Office to the public.

Second. The opinion handled the LCP Mitigation Issue by relying on foot note 7 by a staff person unnamed. which totally ignores the **Irvine Coast Development Agreement. " Exhibit C. Irvine Coast Local Coastal Plan Findings Of Approval And Supporting Documentation "** on page 22 call's out"(see Exhibit 13 in the **EXECUTIVE SUMMARY**) Which shows a colored map of the road to be built ." www.newportcoastdrive.com [exhibit 4]

Third. Your office still has not found the California Coastal Commission. Corridor Approval which is sited on page 29. [exhibit 30] of the TCA Lawyers, Nossaman, Guthner, Knox, Elliott opinion letter to you dated March 25, 1994. They state they "Received approvals from — California Coastal Commission". that supposedly nullifies or supercedes the **Exhibit C. Irvine Coast Local Coastal Plan Findings**. I have asked before receiving reply's dated august 22, 2007 and August 28, 2007 [exhibit 33 and 34] which still has not revealed this Missing AMENDING permit as sited by TCA Lawyers in taking of Newport Coast Drive?

TCA Lawyers arguing they have Police Powers is just another sham argument. As Police Powers can not take LCP Mitigation given for Public benefit in a Quid Pro Quo trade for LCP permit's. A correction opinion is warranted as Tolls are collected daily.

Sincerely Ron
